PROFILE

I am a self motivated, enthusiastic and ambitious Product Designer.

I design intuitive digital products with a focus on creating a meaningful user experience. I enjoy getting involved in every stage of the Product Design process, and always strive to learn new skills to better myself as a designer.

EXPERIENCE

Associate - UX/UI Designer **Synechron**
Dec 2020 - Present

Primarily working with Citi, I help them create the future of Product Control applications. I facilitate key stakeholder meetings, facilitate discovery and research workshops with users and BAs and work across the entire UX/UI process from ideation and user research to wireframing and prototyping.

UX/UI Designer **Relative Ltd**
June 2019 - Dec 2020

I designed software for companies globally, ranging from simple mobile and web apps, to large, scalable systems. I worked across the full UI/UX design process, as well as designing company promotional materials and websites.

Product Designer **Paige Boyd Designs Ltd**
Aug 2018 - Dec 2019

Worked with clients across multiple industries to design websites, apps and platforms that align business needs with needs of customers. I also facilitated ideation workshops to create proof-of-concepts for clients.

Clients included:
Danske Bank, Finmondo, Funds-Axis, TapSOS, Assistant.ly, Relative, CheckaTrade.

Content Designer Intern **Ulster University**
Sept 2016 - July 2017
